Due diligence can be a successful tool for negotiating, and an important way to deliver value to your clients. Whether you are a new or mid-level practitioner, attend this program to receive the latest best practices for effective due diligence, and learn why *effective* due diligence is such an important step to optimizing your client's position. **Key takeaways include:**

- Understanding the due diligence process
- Effectively reviewing minute books
- Ordering and reviewing due diligence searches
- Key issues to consider in contract, real property, environmental, labour and employment, and financial/lending due diligence
- Preparing the due diligence report

Register now to ensure your due diligence process is one of your most essential tools for risk management, and ultimately, achieving a successful outcome.
