The CPPO is a new free online resource jointly published by the University of Windsor and CanLII. The CPPO was written by a team of 135 leading litigators and experts in Ontario civil procedure, including John.

CPPO will serve as a guide to Ontario's *Rules of Civil Procedure*, *Courts of Justice Act*, and *Limitations Act*, which will be accessible not only to practitioners, but to members of the public.

We would like to recognize John Polyzogopoulos for his hard work and valuable contribution to this important public resource.
