

Blaneys Lawyers on Faculty for Upcoming Construction Workshop in Toronto

Date: [September 14, 2011](#)

On October 18, 2011, Janet Bobechko, chair of Blaneys' Environmental Law Group, lead a session on *Managing Risk for Opportunities in Current Markets*, as part of the Construction Law Primers series presented by MMPI Canada, which examined topics such as provisions in the construction contract, latest changes to the Construction Lien Act and risk hedges to protect business.

PRACTICES

- Construction Law
